4. GENERAL DESCRIPTION

The event follows the regulations imposed by the Finnish National Sporting Authority (AKK-Motorsport ry, AKK), including the Finnish Sporting Code, Finnish Rally Regulations, The Finnish Rally Championship Regulations and these Supplementary Regulations. The Supplementary Regulations in Finnish have been approved by AKK with the competition licence number 8/R/24

This translation of the Supplementary Regulations is for information purposes only and in case of disputes and conflicting interpretations the original Supplementary Regulations in Finnish are considered as authoritative.

The event includes Finnish Rally Championship round 3/7, Finnish national BMW rally series round 3/6 and a NEAFP competition and is thus open to international ASN licence holders. All cars participating in the rally must have a valid obligatory traffic insurance towards third parties, which also covers the special stages.

The total rally route length is 273 km, including 7 special stages with combined length of 94,9 km. Section 1 takes place on Friday 8.3.2024. Section 1 total length is 109,5 km, including 2 special stages with total combined length of 23,1 km. Section 1 is open to competition classes 1-8. Section 2 takes place on Saturday 9.3.2024. Section 2 total length is 163 km, including 5 special stages with total combined length of 71,8 km.

If any competitors or their associates are met on roads used as special stages in the rally in the areas of Alavus, Kuortane, Ähtäri, Alajärvi, Virrat and Keuruu, before the official starting time, their participation to the event will be prohibited. Reconnaissance is only allowed as stated in the schedule in Section 11.

The official time of the event is the Official Finnish Time, which can be found at <https://time.is>. The Virtual Official Noticeboard contains the link to the official time.

The event follows the regulations of the Finnish Centre for Integrity in Sports (FINCIS), which can be found at suek.fi, as well as in all doping related Finnish legislation.

**6. ENTRY PROCEDURE**

All competitors wishing to partake in SM Tuuri Ralli must submit entry in the KITI system online. International competitors can also fill in the electronic form to which a link can be found on Sportity VONB. If you are experiencing difficulties in making an entry through the digital channels, please contact the Secretary of the Rally for assistance.

When making an entry in the KITI system, please use the additional information box to indicate which type of fuel and refuelling method is being used. International competitors are required to indicate fuel type and refuelling method in the electronic entry form.

Maximum number of entries is fixed at 180 crews.

Entry must be made before 26th February 2024 at 23:59.

If the maximum number of cars is exceeded, competitors in classes 1-6 are prioritized.

Should the number of entries in any of the classes 7-23 be less than 3, the organiser may merge such class with another class.

Use of competitor information by the organiser:

By entering the competition, the competitor accepts the processing of personal data provided by the organiser and the publication and inclusion of specified personal information (name, club, etc.) in the entry list, results list, etc. in all organiser's communications and registers. The organiser also reserves the right to disclose relevant published information to use by third parties.

8. SERVICE

The service park is located in Onnentie 4, 63610 Tuuri. Service is allowed only in the service park. Further instructions will be provided in the Rally Guide.

Organizer reserves every crew a service space as defined in the FRC SR. Should a joint service space be requested, a written request (with the dimensions of the area) must reach the organiser by 5.3.2024 at 9.00pm. Please contact: Markku Petäinen p. +358 40 5072575 or email rakennus.petsku@pp.inet.fi

On Friday service A takes place after SS2, service time is 30 minutes. After service competitors are required to proceed to Parc Fermé (Tuurintie 21, Alavus).

On Saturday morning, service personnel are permitted entry to Parc Fermé to assist on starting the car if needed. Otherwise, all service is prohibited in Parc Fermé.

On Saturday service takes place after SS4 and is a flexi service for 60 minutes, which includes 30 min. service time. Time exceeding the 30 min. service time is judged according to parc fermé rules.

The competitor will be given a Service Out Time at Service IN TC 4A (provisional start TC 4B- service B out), which the competitor writes down in the Time Card. After this and after possible technical inspections, competitor will move their rally car at the service spot and write service start and end time on the Time Card. The Time Card should be placed visibly on the windscreen or other place inside the rally car.

Service C takes place after SS5 and is 30 minutes including the SS5 time.

Service vehicles must be equipped with a fire extinguisher appropriate for extinguishing flammable fluids and with an oil spill kit ready for use at any time (FRC art. 14.5), a tarpaulin or equivalent being at least the size of the rally car to prevent oil spillage. The absence of any of these will result in the immediate decision of the Clerk of the Course to exclude competitor from the competition.

Service outside the service area between stages on the road sections is only allowed with the equipment in the rally car and by the 1st and 2nd drivers.

9. TYRES

In classes 1-7 competitors are permitted to use 10 tyres (10 pcs) according to the Finnish Rally Championship Regulations. Tyre code form must be submitted electronically to rallismkatsastus@gmail.com before Fri 8.3.2024 at 17:00. Inspections take place in accordance with the FRC.

Tyre Code form is available on Sportity VONB and KITI.

If the competitor does not have tyres with FIA barcodes, organiser will give alternative instructions. If you don't have barcodes report it to the Rally Office or to the Chief Scrutineer the day before the pre-event scrutineering at the latest.

In other classes (excluding LK 9), the number of tyres is not limited and it is allowed to use tyres according to the Finnish Sporting Code Appendix J section 6.1.2 Studded tyres or tyres according to the previous year's FSC Appendix J section 6.1.2. Studded tires (so-called 16-inch tires of the old rule).

Class 9 tyre regulations are according to the BMW Rally Series Regulations.

Pre-event scrutineering and Parc Fermé with road-homologated tyres only.

10. REFUELLING

Refuelling is only allowed at petrol stations marked in the road book and in the refuelling zone designated by the organiser.

Refuelling zones and distances will be provided in the Rally Guide.

11. RECONNAISSANCE

From 7.3.2024 at 18:00 participants in classes 1-8 and 11-17 can collect their reconnaissance material from the Rally Office. Proof of identification must be shown upon receipt of the material.

Identification stickers (2 pieces) for the reconnaissance must be affixed on the reconnaissance vehicle as follows: one in the middle and on the top section of the windscreen and the second to the rear side window on the right-hand side. They must be visible throughout the duration of the reconnaissance.

A maximum speed limit of 80 km/h is in place during the whole reconnaissance on all special stages unless a lower limit is indicated by traffic signs or signs placed by the organiser. The competitor must drive in a manner that does not endanger or inconvenience other traffic or residents of the area. Driving against the direction of the rally is prohibited, unless directed so by the organiser, their representative, or the police. The organiser will control speeds used as well as the manner of driving during reconnaissance. The police will also supervise the route and will penalise for traffic infringements according to the Finnish Traffic Law.

Competitors are obliged to stop if requested so by the rally organisers or their representatives under penalty of disqualification.

Reconnaissance starts 8.3.2024 at 8:00 and ends 8.3.2024 at 18:00 for classes 1-8 and 11-17.

Identification stickers must be removed immediately after the reconnaissance period. Reconnaissance vehicles are not allowed to be parked in the service area after the reconnaissance period. Any infringements can be punished with a 100€ fine. If infringements are recurring, the Finnish Rally Officials have the option to impose further sanctions.

Special Stages with reconnaissance exceptions:

- **SS 1-2: reconnaissance only at 8:00-15.00**
- **SS5: reconnaissance only at 16:00-18.00.**

12. COMPETITION NUMBERS AND ADVERTISING

Competition number stickers with organiser ads: 67x20 cm.

Please note! In addition to the numbers on the side of the car, a small number without advertisements will be placed on the top right corner of the windscreen.

Competition number stickers on doors must be placed so that the number is towards the front of the car.

Advertisement on the competition number: Tuuri.fi

Windscreen advertisement: Plus Katsastus

13. PRE-EVENT SCRUTINEERING

Documents for scrutineering must be submitted by email to rallismkatsastus@autourheilu.fi by 6.3.2024 at 20:00. The following document are required:

- Inspection card, page 1 and page 2
- Homologation certificate or passport (V-, R-Lite, Historic or F-group national passport) first page
- Condition inspection certificate or certificate of an approved annual inspection
- Race car transfer permit / registration extract
- Safety cage classification certificate or certificate, 1st page
- 1st page of the catalyst certificate

Email Subject line must include competition number and the name of the 1st Driver!

Pre-event scrutineering will take place in Ra-Se Park, Telekuja 7, 63300 Alavus.

Scrutineering starts 8.3.2024 at 9:00

Every contestant must book their scrutineering time in advance online at <https://slotti.fi/booking/rallism/> Online booking is open between 4.3.2024 8:00- 6.3.2024 18:00.

Pre-event scrutineering ends 10 minutes after the end of the last scrutineering time.

If the competitor wants to change their scrutineering time after the booking system has closed, please contact the Head of Scrutineering Virpi Kivikko, tel. +358 40 2401727.

For the change of time, event organiser can withhold a fee of €50. The same fee is also charged if the competitor hasn't booked a time or is late from their pre-booked time slot. Otherwise, the rules of the AKK Finnish Rally Regulations section 34.1 are applied.

In connection with the safety inspection, the noise level of the racing car can be checked, which may be a maximum of 103db at 3500rpm.

Sealing

All the cars without a turbocharger 2024 seal, must be prepared for sealing by the competitor.

The spare parts to be sealed and registered for the competition are inspected and, if necessary, sealed during the safety inspection.

Changing the sealed part during the race

If the competitor wishes to replace a sealed part (turbochargers or a FIA pop-off valve), the competitor must make a report by phone to the Head of Scrutineering Virpi Kivikko, tel. 040 2401727

WWW.TUURIRALLI.FI

14. COMPETITION MATERIALS

Each crew will receive one road book describing the rally route in detail, two route maps and a GPS safety tracking device: Competitors in classes 1-8 and 11-17 can collect their material starting on Thursday 7.3.2024 at 18:00. Competitors in classes 9-10 and 18-23 can collect their material starting on Friday 8.3.2024 at 19:00.

The timing transponder, competition numbers and other stickers will be distributed at the Rally Office starting on Friday 8.3.2024 at 18:00 and Saturday 9.3.2024 at 8:00.

15. START

The start list will be published on the VONB according to the program. The international time card is used in the competition and competitors receive it at the start of the competition. Instructions on how to use the card can be found in the Rally Guide.

The departure for Section 1 takes place every minute from 19:01 and is located at Keskisen Kyläkauppa, Onnentie 7, 63610 Tuuri.

Start times for Section 2 will be published on the VONB Fri 8.3.2024 at 23.59. After retirement on Section 1, crews must inform the Rally Office on Friday by 23.30 if they wish to re-join for Section 2. The competitor must follow the competition route assigned by the organiser throughout the competition. Failure to follow the competition route always results in disqualification from the competition.

16. REGROUPS

The event does not include a regroup. Regrouping can be carried out during the flexi service break if needed.

17. RESULTS

Provisional final classification will be published on the VONB according to the itinerary. Official classification will be published on the VONB, KITI, on the event website at tuuriralli.fi and on the Finnish Rally Championship website www.rallism.fi.

18. PRIZES AND PRIZE-GIVING CEREMONY

The number of awarded competitors will be published on the VONB.

Prizes will be given to both drivers in the finish area right after the finish of the race according to the provisional classification.

WELCOME TO TUURI!
